Conveyor use and policy:

This demo conveyor is 'stored' at Dorner in Hartland, WI. Please allocate plenty of time for crating and shipping if you plan to use the demo. To confirm the conveyor is available for use please contact Stacy Johnson – stacy.johnson@dorner.com | 262.369.1253

It is imperative the conveyor is returned in the condition with which you receive it – do not destroy the crate! Please keep all padding and shipping materials.

Dorner can arrange freight and apply our strong discounts. However, you will be responsible for freight costs to and from Hartland, WI. In certain cases, Dorner may opt to pay freight one way.
