

NOTICE OF MINIMAL OPERATION FOR COVID-19

(Updated: April 10, 2020)

Dear Esteemed Business Partners,

Today 10th April at 4.00PM at local Malaysia time, our Government have announced to extend again the Movement Control Order for another two weeks until **28th April 2020**.

Dorner Malaysia are operating with less than 20% workforce and manufacturing priority focused for essential orders especially relating to life sciences. Nevertheless, Dorner will be ensuring all our employee is working in safe and hygiene environment with best practices and guidelines.

Meanwhile, our Sales, Customer Service, Engineering, Supply Chain, and Accounts services are still working remotely from home to support all our valuable customers.

Should you have questions or need additional clarification, please contact your Sales Representative at Dorner Asia.

We value our partnership and appreciate your flexibility during these unusual and trying times.

Thank you.

Deehriex Tan
President of Dorner Asia
